Carthago Beaded Key Pillow- Rust

Citizen Artist × STUDIO|A HOME

DESCRIPTION

The Carthago Beaded Pillows draw their pattern from the same ancient Roman key latch that inspired the Carthago Console. Hand-beaded on dyed canvas with a smooth velvet back, each piece emphasizes pure form and line through meticulous beadwork. The motif's strong geometry and restrained palette give Carthago a timeless authority. The key that opens doors serves with honor.
