Duafe Rug-Sand

Citizen Artist × STUDIO | A HOME

DESCRIPTION

The Duafe Rugs translate the geometry of an ancient key latch into a field of texture and shadow. Hand-loomed in 100% wool with a 12mm pile, each rug combines looped and hand-carved cut piles for dimensional relief. The pattern - rhythmic and restrained - shifts gently as light moves across it. Offered in natural sand and earthen rust tones, the Duafe Rugs anchor a room in structure and craft. A path is made by walking it. What lies beneath our feet shapes where we go.
