

Gus* Modern Spring 2024 Collection-Line Extensions

****All product descriptions have additional sentences. Please delete your existing product description and use the below****

Monterey Slipcover

The Monterey embodies a laid-back, coastal vibe, with a deep seat and luxurious back cushions, perfect for lounging on a lazy Sunday. This slipcover set includes frame and cushion cases designed to attach easily to your Monterey Sofa. The slipcover may be used to extend the life of your Monterey Sofa, or as a backup in environments that are prone to spills or mess. Switch up the look of your space with a different slipcover season to season.

- **(delete)** Sofa slipcover and cushion cases are machine-washable, pre-shrunk heavyweight 20 oz machine washable cotton.
- **(add)** White Wash Denim slipcover and cushion cases are machine-washable, pre-shrunk, heavyweight 20 oz cotton.
- **(add)** Dry cleaning is recommended for the Caledon fabric slipcovers to ensure proper care and maintenance. Spot clean small stains with a mild water-free solvent or dry cleaning product. Always pretest a small area before proceeding.

Monterey Sofa

The Monterey Sofa embodies a laid-back, coastal vibe, with a deep seat and luxurious back cushions, perfect for lounging on a lazy Sunday. Solid wood, spherical feet add an organic touch. The Monterey is both environmentally and family-friendly, with machine washable slipcovers (White Wash Denim fabric only) and PET filled cushions. This sofa is constructed with kiln-dried FSC®-Certified hardwood, in support of responsible forest management. Monterey uses a clean, ultra soft, long-strand fiber fill material that offers the comfort and feel of traditional waterfowl down. This material is created through a process that benefits the environment by diverting 748 plastic bottles away from landfills, waterways and oceans for each Monterey Sofa we build.

- **(delete)** Sofa slipcover and cushion cases are machine-washable, pre-shrunk heavyweight 20 oz machine washable cotton.
- **(add)** White Wash Denim slipcover and cushion cases are machine-washable, pre-shrunk, heavyweight 20 oz cotton.
- **(add)** Dry cleaning is recommended for the Caledon fabric slipcovers to ensure proper care and maintenance. Spot clean small stains with a mild water-free solvent or dry cleaning product. Always pretest a small area before proceeding.

Hilary Chair

Combining fluid curves and tailored lines, the Hilary Chair is a contemporary take on mid-century Scandinavian style. A channel-stitch detail on the backrest adds subtle interest and unbroken piping along the arms and back emphasizes Hilary sculptural form. With its high back support and splayed angular wood base, the Hilary is designed for relaxing in style. Constructed with kiln-dried FSC®-Certified hardwood in support of

responsible forest management, and select fabric is made from 100% recycled plastic bottles, diverted from landfills and waterways, then repurposed into upholstery material.

- (add) Pixel fabric is 100% recycled PET, eco-friendly and upcycled from 169 recycled plastic water bottles.
- (add) Pixel Fabric is OEKO-TEX® Standard 100 Certified.

Lecture Dining Chair

The Lecture Dining Chair is a modern reinterpretation of a classic elementary school chair design. This version features a one-piece, upholstered seat and back, with unique, channel-stitch detailing. Select upholstery is made from 100% recycled plastic bottles, diverted from landfills and waterways, then repurposed into upholstery material. The back incorporates a functional leather and brass handle. The black, powder-coated steel legs are reinforced with solid metal stabilizers. Functional, comfortable and stylish, the Lecture Chair works well for any workspace or dining area.

- (add) Pixel fabric is made from 100% recycled PET, eco-friendly and upcycled from 34 recycled plastic water bottles.
- (add) Pixel fabric is OEKO-TEX® Standard 100 Certified.

Lecture Counter Chair

The Lecture Dining Counter Stool is a modern reinterpretation of a classic elementary school chair design, adapted for counter height use. This version features a one-piece, upholstered seat and back, with unique, channel-stitch detailing. Select upholstery is made from 100% recycled plastic bottles, diverted from landfills and waterways, then repurposed into upholstery material. The black, powder-coated steel legs are reinforced with sturdy flat bar stabilizers and a simple ergonomic footrest. Functional, comfortable and stylish, the Lecture Counter Stool works well for any workspace, kitchen or dining area.

- (add) Pixel fabric is made from 100% recycled PET, eco-friendly and upcycled from 34 recycled plastic water bottles.
- (add) Pixel fabric is OEKO-TEX® Standard 100 Certified.

Lecture Bar Stool

The Lecture Bar Stool is a modern reinterpretation of a classic elementary school chair design, adapted for bar height use. This version features a one-piece, upholstered seat and back, with unique, channel-stitch detailing. Select upholstery is made from 100% recycled plastic bottles, diverted from landfills and waterways, then repurposed into upholstery material. The black, powder-coated steel legs are reinforced with sturdy flat bar stabilizers and a simple ergonomic footrest. Functional, comfortable and stylish, the Lecture Bar Stool works well for any workspace, bar or dining area.

- (add) Pixel fabric is made from 100% recycled PET, eco-friendly and upcycled from 34 recycled plastic water bottles.

- (add) Pixel fabric is OEKO-TEX® Standard 100 Certified.

Parcel Bed

With its generous, soft surface area and sleek design, the Parcel is the quintessential modern platform bed. The squared-off headboard, side rails and footboard create a simple, sculptural modern frame, while French seams soften the look with classic detail. Supported by solid ash legs, Parcel seems to float, lending an airy quality that complements any bedroom interior. Available as a king or queen. Constructed with kiln-dried 100% FSC®-Certified hardwood in support of responsible forest management. Select coverings are made from 100% recycled plastic bottles, diverted from landfills and waterways, then repurposed into a plush upholstery material.

- (add) Auckland Bluff – a faux wool fabric is 100% recycled PET, eco-friendly and upcycled from 220 recycled plastic water bottles.
