

# Monterey Slipcover

## INSTALLATION INSTRUCTIONS

### To Install the Frame Slipcover

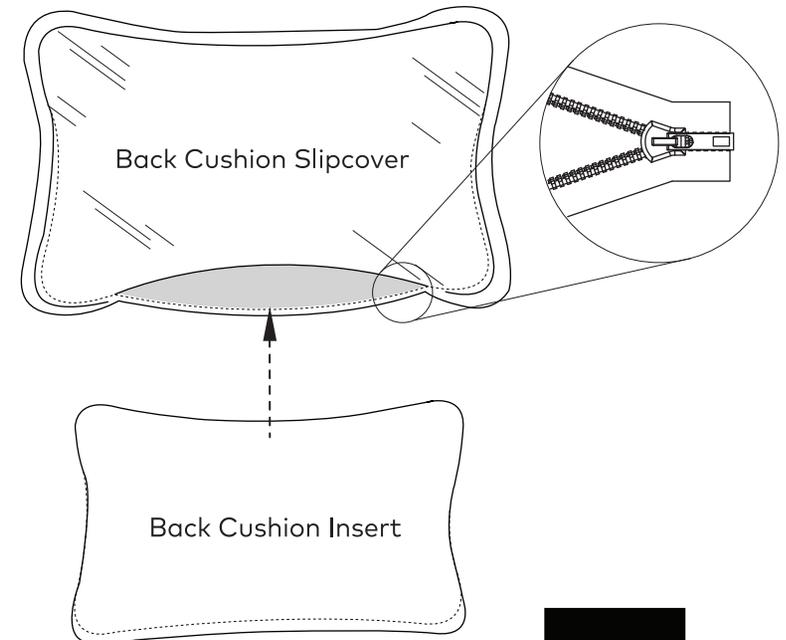

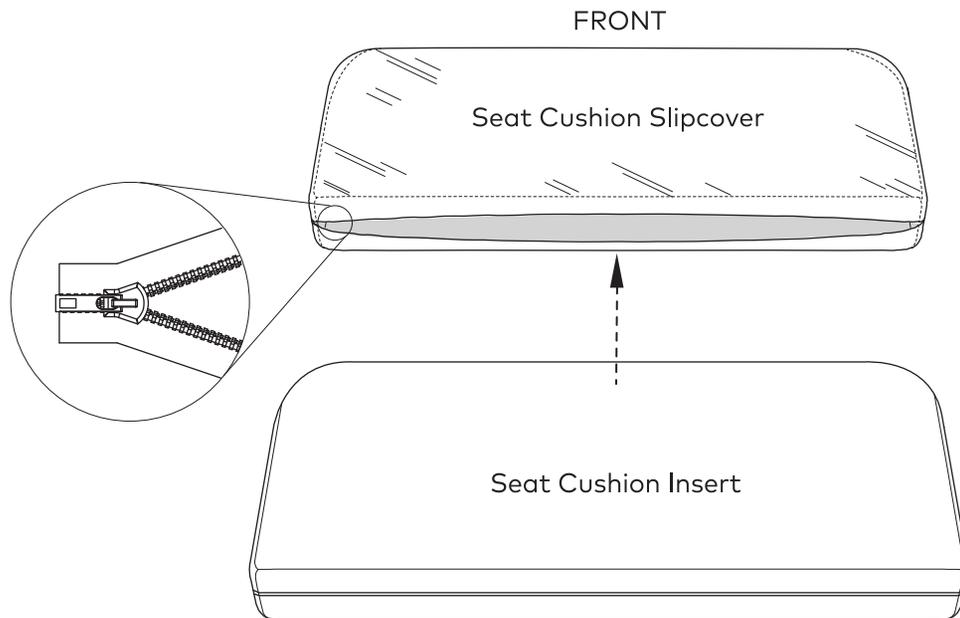

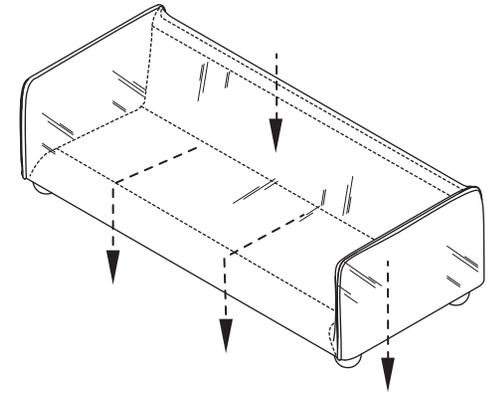

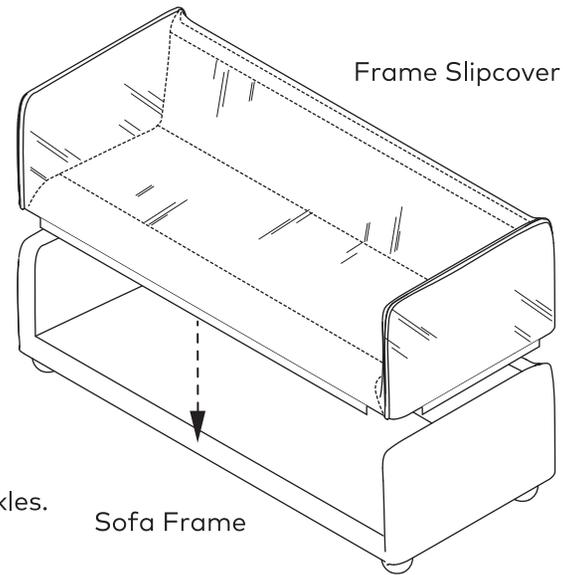

With cushions removed, pull the Frame Slipcover over the Sofa Frame. Pull arms, back, and seat down to cover the bottom edge of the Sofa Frame. Tuck the velcro strips under the bottom edge of under the Sofa Frame to secure the slipcover in place.

### To Install the Cushion Slipcovers

Open the zipper at the back of the Seat Cushion Slipcover and the bottom of each Back Cushion Slipcover. Position each cushion insert into its corresponding open, unzipped slipcover. Manipulate the cushion insert into the slipcover until the cushion insert is completely encased by the slipcover. Adjust and smooth out any bumps and wrinkles.

### Care Instructions

Spot clean spills immediately. Machine wash separately from other items. Machine wash with cold water on the shortest wash cycle. Tumble dry on a low heat setting or alternatively hang to dry until slightly damp. Smooth out wrinkles by applying to sofa frame.
