The Lodge Chair is a contemporary club chair with playful, bent-ply arms and a sculptural profile that creates an alluring imprint on any space. This unique design is available with fabric or Vegan AppleSkin™ Leather upholstery to contrast a warm, Walnut-finished exterior frame. The inner frame is constructed with kiln-dried FSC®-Certified hardwood, in support of responsible forest management.

Design Trade Professionals: We aim to keep our designs in stock and ready to ship quickly for projects on a tight timeline. Designs may be customized with COM and alternate finishes (minimum quantities may apply). Visit gusmodern.com for more information about our Trade & Contract programs.

Lodge Chair

- Side panels are CNC precision-cut, formed plywood panels finished in real Walnut wood veneer.
- Wood is a natural material, with variations in grain pattern and colour that make each design unique.
- Water-based, clear coat finish.
- Inner frame is kiln-dried, FSC®-Certified hardwood (FSC® 092551).
- No-Sag, sinuous spring system.
- All joints have been stress tested.
- Bumpers on the bottom of legs to protect hardwood floors.
- Manufactured to meet California TB117-2013 fire safety standards without the use of flame retardant additives in the upholstery foam.
- All fabric is California TB117-2013 certified and double rub tested.
