How to assemble Luva Modular Sofa Group

Step 1

1.1 Place the first single seat, chaise or ottoman where desired.

1.2 If ganging three or more units it is recommended to start with a middle unit.

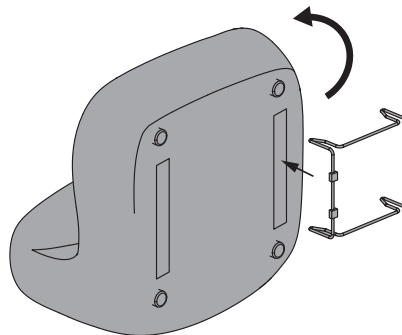

Step 2

2.1 Gently lower the unit onto its back. Insert Ganging Bracket into open slot.

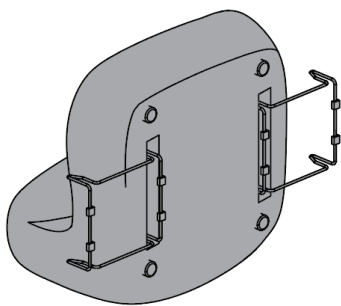

Please note the orientation of the Ganging Bracket in the illustration.

It is very important to install in the correct orientation.

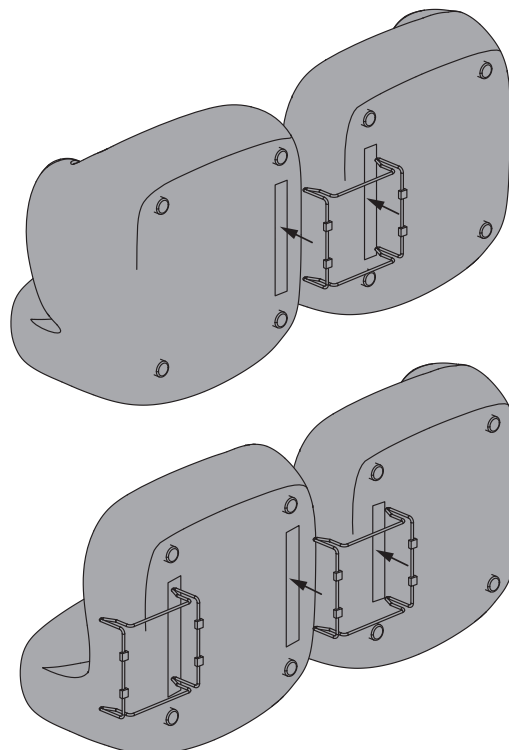

Step 3

3.1 If three or more units are being ganged, repeat this step on the other side of the middle unit.

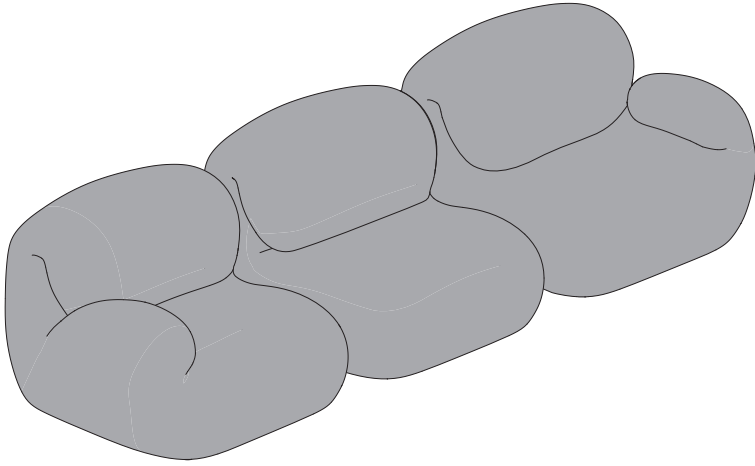

Step 4

4.1 Position the units next to each other. Insert the Ganging Bracket into the open slot on the unit next to it to connect them.

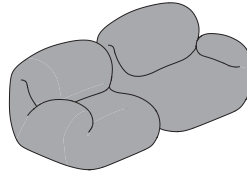

Step 5

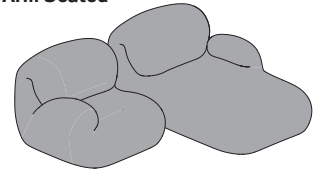

5.1 Repeat steps 1-4 until sofa/sectional layout is complete and gently lower sofa back onto its seat. This will require at least two people.

How to adjust the back on your Luva Modular Sofa Group

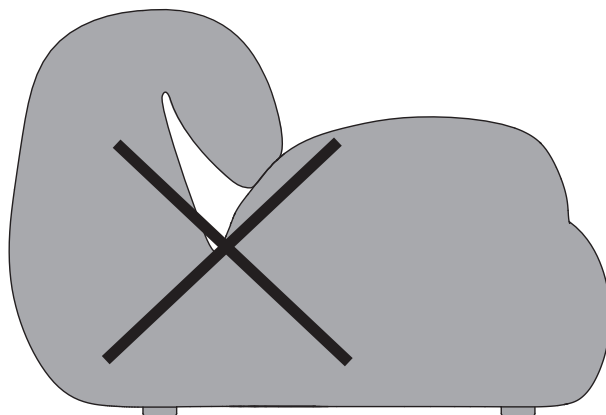

Step 1

1.1 Open the back by lifting the both sides of the back up.

Step 2

2.1 If back is resting on top of arm(s), seat is not fully closed. Raise the back again, and reclose, angling the back behind the arm rest and tuck remaining back down.

Step 3

3.1 Close the back ensuring that it is fully closed and tucked behind the arm rest.
