MillerKnoll® U.S. and Canada Limited Warranty

When you choose MillerKnoll, you're not just buying quality products. You're investing in a relationship and the peace of mind that our commitment to you extends well beyond the moment that your product leaves the factory. While the length of warranty coverage varies by brand and by product, our dedication to quality is unwavering.

All products of those certain brands identified in a schedule attached to this limited warranty, including all Herman Miller- and Knoll-branded products, that are sold in the U.S. and Canada, with limited exceptions, are covered by our 12-year warranty, which includes parts and labor to repair.

Exceptions are listed below, and detailed limited warranties for the rest of the MillerKnoll collective of brands can be found on their respective brand websites.

Provisions that apply to all products of those certain brands identified in a schedule attached to this limited warranty, including all Herman Miller- and Knoll-branded products and services:

MillerKnoll, Inc. ("MillerKnoll"), 855 East Main Avenue, PO Box 302, Zeeland, Michigan 49464-0302, USA, warrants the products covered by this limited warranty and sold by it and its subsidiaries to be free from defects in material and workmanship, regardless of the number of shifts during which the products are used, for the warranty periods specified.

This limited warranty covers the sale of such specified products in the U.S. and Canada. Not all of the product lines appearing on this list are marketed by MillerKnoll in all countries, and appearance on this list does not imply an offer for sale of a product line in a particular place. Product line availability is defined in current price lists applicable to different regions.

During the applicable warranty period, MillerKnoll, as its sole obligation, will repair or replace, at its sole option, any product, part, or component covered by this warranty and sold after the effective date of this warranty, which fails under normal use as a result of a defect in material or workmanship. MillerKnoll will repair or replace the aforementioned product, part, or component with a comparable product, part, or component.

This warranty is non-transferable and extends only to the original end-user purchasers who acquire new product from MillerKnoll, its subsidiaries, or its authorized resellers. Any product, part or component must have been used according to MillerKnoll's published instructions and installed and maintained by a MillerKnoll factory-trained technician or an authorized MillerKnoll dealer installer. If these requirements are met, warranty coverage will be extended.

Any misuse, abuse, or modification to the original product voids the warranty. MillerKnoll does not warrant the performance of the product when used in combination with anything other than original MillerKnoll product.

The warranty period starts from the date of purchase. For warranty questions or claims, please contact the original point of purchase.

Disclaimers and Exclusions:

This document inclusively describes all of the warranties given and remedies available with respect to MillerKnoll's products and services, all of which are non-transferrable. MillerKnoll and its subsidiaries disclaim any other warranty where expressed or implied, statutory or otherwise, in relation to the products.

MillerKnoll does not warrant:

- Natural variations in wood grain or figure or presence of character marks
- Changes in surface finishes, including colorfastness, due to aging, exposure to light, or direct sunlight
- Marks, scars, or wrinkles occurring naturally in leather
- Veins, marks, voids, fissures, or cracks found naturally in stone
- Failure resulting from normal wear and tear
- Pilling of textiles
- Matching of colors, grains, or textures of natural materials
- Colorfastness or the matching of colors of textiles or surface finishes, including an exact match to cuttings samples or swatch cards
- Damage, marking, or staining of veneer surfaces due to contact with rubber or similar compounds, or damage from sharp objects or imprinting from writing instruments
- Damage or marking of materials or abrading of textiles over time caused by sharp or foreign objects
- Changes in the decibel level of motors or mechanisms utilized in height-adjustable products
- Discoloration of textiles and surface materials due to soiling, stains, or dye transfer from clothing, including denim
- Discoloration or deformity of surfaces due to temperature-related issues

MillerKnoll does not provide any warranty whatsoever with regard to Customer's Own Materials (COM), third party materials applied to products, and other customer-supplied items.

TO THE EXTENT ALLOWED BY LAW, ANY IMPLIED WARRANTIES, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, ARE DISCLAIMED AND TO THE EXTENT THEY ARE LEGALLY REQUIRED, ARE LIMITED IN DURATION TO THE DURATION OF THIS WRITTEN WARRANTY.

MILLERKNOLL AND ITS SUBSIDIARIES SHALL NOT BE LIABLE FOR LOSS OF TIME, INCONVENIENCE, COMMERCIAL LOSS, OR INCIDENTAL OR CONSEQUENTIAL DAMAGES.

Applies in U.S. only: Some states do not allow limitations on how long an implied warranty lasts or do not allow the exclusion or limitation of incidental or consequential damages, so the limitations or exclusions in the two preceding paragraphs may not apply. This warranty gives the purchaser specific legal rights; however, the purchaser may also have other rights that may vary from state to state.

Applies outside U.S.: Except as stated above, MillerKnoll and its subsidiaries will not be liable for any loss or damage (including costs) however caused, whether direct or consequential, incurred or suffered by the purchaser or any third party in respect of the products, but nothing contained herein will or will be considered to exclude or restrict any liability on MillerKnoll's or its subsidiaries' part for death or personal injury resulting in negligence.

Effective: For covered products purchased on and after December 12, 2025.
