

Norbert LED Outdoor Wall Sconce by Alder & Ore

The Norbert LED Outdoor Wall Sconce from Alder & Ore offers a stylish and functional lighting solution for entryways. It has built-in LEDs and illuminates a slender glass cylinder, eliminating the glare of traditional bulbs while providing a warm glow for a welcoming ambiance. Light is cast downwards minimizing light pollution. Constructed with a durable aluminum frame in a painted finish with a self-screwing glass shade, Norbert is designed for long-lasting outdoor use. Wet-listed.
