

Faraday Outdoor Wall Sconce by Alder & Ore

The Faraday Outdoor Wall Sconce from Alder & Ore combines style with durable construction, making it a practical and elegant addition to exterior spaces. It accommodates various light bulb shapes and is shown with a nostalgic T10 long bulb for a distinctive look. The sturdy wet-listed aluminum frame, finished with a protective painted coating, ensures long-lasting outdoor performance. Clear fish tank glass enhances the light's visibility while adding a sleek touch.
