Assemble your

Cantilever Wall Light

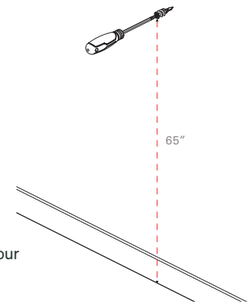
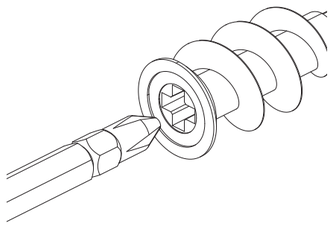
1



Position

Position the anchor on your wall with a screwdriver.

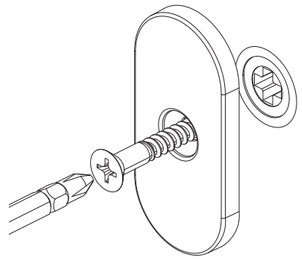
2



Set

Use screwdriver to set anchor into the wall.

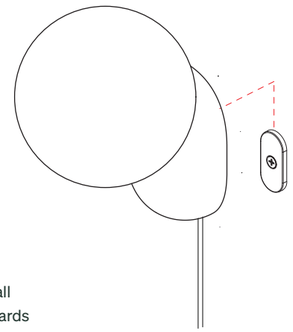
3



Install

Insert screw through the mount, and use a screwdriver to fasten wall mount into anchor.

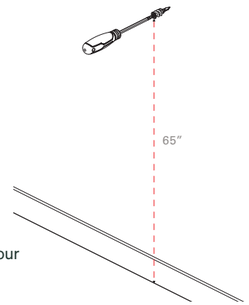
4



Mount

Place the light over the wall mount and slide it downwards until it's secure.

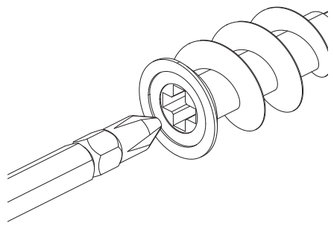
1



Position

Position the anchor on your wall with a screwdriver.

2



Set

Use screwdriver to set anchor into the wall.
