

Named after Paul Rudolph, a well-known American architect, this table takes part in the Brutalist design movement focusing on materials and structural elements over decorative design. With sturdy round legs made of hefty cuts of premium teak, the Rudolph Table will be the focal point of your living room or outdoor space.

HLT2983

Rudolph Side Table

Product Highlights

- Material: Teak Wood
- Simple assembly required.
- The hand-sanded finish starts off as a light golden color and naturally mellows to a soft silvery grey.
- Hardware and metal parts included are marine-grade stainless steel.
- Carefully kiln-dried to eliminate cracking or shrinking.
- Made in Vietnam.
