Paris Sofa Heritage Pink

Warm tones, soft angles, and room to really stretch out. The Paris Sofa blends sculptural minimalism with serious comfort — featuring a deep sprung seat, slightly angled backrest, and plush foam cushions you won't want to leave. Wrapped in textured heritage pink upholstery and grounded by slim black steel legs, it seats four with ease while keeping the footprint light. Designed for lounging, styled to impress — Paris does both without trying too hard.

- Warm modern style: Clean lines, slim arms, and black steel legs create a refined silhouette with soft details that keep things relaxed.
- Textured upholstery: 100% polyester in a heritage pink finish adds depth, warmth, and everyday durability to the mix.
- Supportive build: A solid beech and plywood frame keeps the foundation strong for daily use and long-haul lounging.
- Functional comfort: Deep sprung seat, high-comfort foam cushions, and removable back and seat cushions for easy cleaning and flexible lounging.
