Delphine 58" Triple Tier Ring

It honors Hammerton's blacksmithing heritage through hand-hammered textures and forged metalwork that cast reflected light in a bold new look. Available in select metallic and translucent finishes in 48" and 58" diameters.

Product Notes - PLEASE READ:

- All Hammerton fixtures are handcrafted by artisans. Subtle imperfections reflect the mark of the maker and should be expected.
- This product may incorporate both steel and aluminum material. Transparent finishes may vary between steel and aluminum components.
- Products incorporating artisan blown and cast glass may create dramatic patterns of light and shadow on surrounding surfaces. While this is often desirable, shadowing can be minimized by adding recessed ceiling light to the installation area.
