Product Description: Enveloping and inviting, the Boones Queen Upholstered Shelter Bed offers a soothing and stylish refuge at the end of a long day. The striking modern sleigh bed silhouette features a wood border around the headboard, footboard and rails and is upholstered in the soft neutral Merino Pearl Performance fabric. Includes headboard, footboard and rails.

Collection Features: Capturing the essence of nature’s organic color palette and the aura of a rustic mountain cottage, Hooker Furniture introduces the Linville Falls collection. The whole home collection is designed for younger consumers looking for casual and contemporary furniture. Characterized by its rustic, weathered finish and clean lines paired with organic grain patterns, Linville Falls is constructed with split oak solids and veneers and has an overall organic aesthetic. It is featured in a soft Smoked Gray finish mixed with a Charred Black finish that is achieved through Shou Sugi Ban, a Japanese technique that creates an elegant burnt wood look. Its moderate scaling and fresh silhouettes offer a refreshing juxtaposition mixing old with new.

Status: Active

Finish: Mink: A soft smoked gray finish

Features: Includes headboard, footboard and rails

Queen size

Fabric upholstery

Material: Veneers and Fabric

Finish Construction: Hooker Furniture utilizes a multiple-step finish process of up to 16 finish steps. This results in an unsurpassed clarity, depth and color richness and durability to our finishes. Through hand-craftsmanship such as rubbing and padding, our finishes feel as good as they look, with a smoothness that is delightful to the touch.

Frame Construction: Hooker Furniture uses carefully chosen solid wood and select wood veneers over durable wood products in our furniture construction. Use of veneers enables more decorative looks unattainable with solid wood. Veneers are used over durable wood products such as medium density fiberboard (MDF) and particle board, made of renewable resources. MDF and particle board are used in quality furniture for areas that need to be stable, such as large surfaces. These durable wood products do not expand and contract with heat and cold and do not absorb moisture as much as solid wood, which results in stronger and longer-lasting furniture.

Fabric 1: Merino Pearl (Performance); Fabric Contents: 100% Polyester; Cleaning code: WS (Clean water-based Stains with water-based cleaning agent, clean oil-based Stains with Solvent cleaner)
