Warm and rustic with a silhouette that evokes the weight, heft and heritage of beam construction, the Big Sky Buffett is crafted of Pecky Hickory Veneers with a solid wood edged top. The buffet is finished in Vintage Natural, an organic finish that reveals the authentic knots and wood grain patterns. The four doors have soft-close hinges, and there's one self-closing drawer and one adjustable shelf behind each pair of doors. The right side drawer has a removable felt liner and the left side drawer has a removable silverware tray. The interior is finished in Charred Timber, inspired by the restorative beauty of a fire-ravaged forest.
