A beautifully set table becomes even more inviting when every seat offers the comfort to linger long after dinner is served. The Archives Upholstered Arm Chair brings a graceful sense of enclosure to the dining room with a sophisticated barrel back silhouette, softly wrapping around the sitter for an elegant and welcoming presence. Beige performance fabric covers the seat, back, and outside back, while tailored welt trim defines the chair's curves with a polished finishing detail. A high clarity Classic Walnut finish enriches the exposed wood frame and legs with warmth and depth.Comfortable proportions and the gently curved barrel back give the chair a more generous presence, making it a natural choice for the head of the table. Performance fabric allows its refined beige upholstery to transition effortlessly between everyday dining and more formal occasions, while the warmth of Classic Walnut grounds the lighter fabric in timeless traditional character.Paired with the Archives Dining Table, the Upholstered Arm Chair brings distinction to the gathering space without making it feel overly formal.
