The Banyon Bay Console Table is designed for both function and style. Featuring white oak solids, oak veneers, and metal, this piece is finished in a light Desert Oak with wire-brushing and cerusing for enhanced texture. The brushed brass metal supports add a sleek, modern touch, while the rectangle shape and rounded corners give it a contemporary look. A fixed shelf beneath the tabletop provides additional storage or display space, making it a practical choice for entryways or living rooms. With its youthful, eclectic design, this console table brings a casual, sophisticated feel to urban, coastal, or mountain settings.
