Lighting The Future

Humanscale

PRODUCT HIGHLIGHTS

nova

Humanscale’s Nova task light brings best-in-class functionality to tasking, video calls, and more. With its advanced LED technology and 91+ CRI, Nova creates a uniform footprint of glare-free neutral light that can be dimmed with the touch of the finger. Its ‘Forever Hinges’ provide strength and stability in any position while allowing effortless one-hand adjustability. Energy Star-certified and free of Red List chemicals, Nova is a versatile light for now and the future, ideal for any task or space.

Features

- LED and light guide package minimize glare and creates perfectly uniform footprint of light
- Constant torque ‘Forever Hinges’ allow for effortless movement, while ensuring stability and product longevity.
- Occupancy sensor for energy conservation
- Easily adjust brightness levels with Touch Dimming, while the Smart Dimming feature remembers your brightness level for the next time you turn the light on
- Designed with extended arms to cast a wider footprint of light, illuminating wider spaces
- Optional Wireless Charging Desktop Base (shown on cover) and Desktop Charging Base (shown below) featuring two USB Ports for convenient connectivity to your hand-held device

Certifications
