Lighting The Future

Humanscale®

PRODUCT HIGHLIGHTS

nova

With its advanced technology and contemporary design, the Nova task light brings functionality and beauty to the everyday office. A custom (unique) lens and LED array create a uniform footprint of glare-free neutral light that can be dimmed with the touch of the finger. Its ‘Forever Hinges’ provide strength and stability in any position while allowing effortless one-hand adjustability. Energy Star-certified with a modern yet timeless design, Nova is a lighting solution for now and the future.

Features

- LED and light guide package minimize glare and creates perfectly uniform footprint of light
- Constant torque ‘Forever Hinges’ allow for effortless movement, while ensuring stability and product longevity.
- Occupancy sensor for energy conservation
- Easily adjust brightness levels with Touch Dimming, while the Smart Dimming feature remembers your brightness level for the next time you turn the light on
- Nova’s XL option is 2” taller than the standard model to provide an additional 4” of reach to illuminate wider spaces
- Optional Desktop Charging Base features two USB ports for convenient connectivity to your hand held device

Product Size	Nova Standard: Lower Arm: 13.8" Upper Arm: 13" Reach: 28.85"	Nova XL: Lower Arm: 15.8" Upper Arm: 15" Reach: 32.8"
Color Rendering Index	>94	
Color Temperature	3000K (Warm white), 4000K (Cool White)	
Lifespan	50,000 hrs	
Power Consumption	7 watts
