Lighting The Future

Humanscale

HUMANSCALE'S NOVA TASK LIGHT

brings best-in-class functionality to tasking, video calls, and more. With its advanced LED technology and 91+ CRI, Nova creates a uniform footprint of glare-free neutral light that renders objects and faces vividly and clearly and can be dimmed with the touch of the finger. Its 'Forever Hinges' provide strength and stability in any position while allowing effortless one-hand adjustability. Energy Star-certified and free of Red List chemicals, Nova is a versatile light for now and the future, ideal for any task or space.

Design Story

As the lines between office and home blur, Humanscale Design Studio created Nova, a highly versatile LED task light that combines industry-leading technology with a sleek design. Nova was designed with a timeless aesthetic and long-lasting durability.

Nova with Wireless Charging Desktop Base

Features

- LED and light guide package minimize glare and creates perfectly uniform footprint of light
- Constant torque 'Forever Hinges' allow for effortless movement, while ensuring stability and product longevity
- Occupancy sensor for energy conservation
- Easily adjust brightness levels with Touch dimming, while the Smart dimming feature remembers your brightness level for the next time you turn the light on
- Designed with extended arms to cast a wider footprint of light, illuminating larger areas
- Optional Wireless Charging Desktop Base (shown on cover) and Desktop Charging Base (shown at right) featuring two USB Ports for convenient connectivity to your hand-held device

Environmental Story

- Made free of Red List Chemicals*
- Nova contains greater than 50% recycled content by weight and is comprised of 70% recyclable materials
- PIR occupancy sensor automatically turns off the light when no movement is detected, conserving energy and costs
- Can contribute to LEED, WELL, and Living Building Challenge certifications
- Humanscale's Nova, Horizon 2.0 and Infinity are the only task lights in the industry made without Red List chemicals
- ENERGY STAR® certified**

* Some optional features include Redlist ingredients. Please contact betterworld@humanscale.com for details.

**Energy Star Certification not applicable for Charging Desktop Base or Wireless Charging Desktop Base.

Nova with Charging Desktop Base

Specifications

Product Size	Lower Arm: 15.9" Upper Arm: 15" Reach: 32.8"
Color Rendering Index	91+
Color Temperature	3000K (Warm White), 4000K (Cool White)
Lifespan	50,000 hrs
Power Consumption	7 watts
USB Power Output	5V, 1A Max (each)
Warranty	10 year, 24/7
Dimming Range	14% - 100%
Color Options	Black, White, Light Gray
Mount Options	Clamp, Desktop Base, Wall, Charging Desktop Base, Wireless Charging Desktop Base
