

PARKSTON

L6351-HB

Parkston takes a mid-century modern brass design and elevates it with luxury stone. This handsome accent lamp includes a piece of honed nero maderia marble with intricate white and brown veining that comes to life in the light. A knurled switch adds texture and design interest to the Heritage Bronze -finished base. Standing 14" tall, Parkston is a dreamy addition to bookshelves, kitchens, or any small space in need of big style.
