

WHITFIELD

1848-CP

Leaning into a botanical motif, the Whitfield family is defined by elongated leaf-like metal pieces that form a glowing shade around the light source. As light emanates outwards, it filters through the layered foliage. Available as a 1-light wall sconce, a semi-flush mount with 3 lights, and three sizes of chandelier, Whitfield comes in a Vintage Gold Leaf finish or our new Cream Plaster finish, a soft alternative to white.

FINISHES

Cream Plaster
