

HUXE

Aether Spotlight by HUXE

Designed with clean lines and balanced proportions the Aether Spotlight by Huxe provides either broad ambient lighting or localized task lighting when mounted on the ceiling or wall. The accommodating head rotates 180-degrees and has a 45-degree vertical adjustment allowing for a full range of directional light. Aim light at specific areas or point downwards from the ceiling to light a more general area. The Aether has a GU10 base and ships with a handy tool for easy bulb installation and replacement.

Dimensions: 4 ³/₄ Inch Width x 6 ¹/₈ Inch Height x 5 ³/₈ Inch Extrusion

Canopy: 5 Inch Width x 11.5 Inch Height x 1 Inch Extrusion
