

# MANTA 26 IN SEMI FLUSH

SKU: 525145MG

## Product Details

### Description:

The Manta Collection earns its name from the uniquely Manta Ray inspired shaped bone china. Each layer of these pieces allows light to filter through, creating a captivating visual overlap. The structure features a steel ring frame adorned with deep, wavy arches that gracefully dip between each threaded stud, where the rays are suspended and secured by a decorative ball detail.
