SKU: 526555BCG

Product Details

Description:

Inspired by the warm Autumn sun filtering through crispy, color-changing leaves, this family introduces soft colors and lightness to any space. Numerous gold and pink tinted glass leaves feature a dual sided surface, where the front mimics the natural veining found in leaves, and the back adds extra light diffusion and glow through the sugar glass texture. The warm Brushed Champagne Gold finish (BCG) ties everything together into a naturally inspired, sophisticated fixture family.
