CARE INSTRUCTION

KRISTINA DAM
Studio

STOOL/TABLE/XL TABLE

Please make sure that the furniture is correct assembled before usage.

Please be aware that wood is a material changing imperceptibly over time. All wood reacts to sunlight, humidity, temperature and can vary slightly in grain pattern and coloration.

Please use only warm soap water when cleaning and dry immediately with a soft cloth. To prevent ring marks use coasters under glasses etc. Always clean up spills immediately.

The solid oak is treated with oil. If the surface of the oak wood dries out you might be able to restore its original glow by applying linseed/flaxseed oil to the product. Follow the instruction label of the oil carefully and consult a professional before starting.

Don't stand on the furniture!
