# GRID WALL CABINET

Please make sure the Grid Wall Cabinet is correct assembled before usage. Be sure that you use the correct dowels and screws to securely mount the cabinet on the wall.

Depending on the used dowels and screws the load capacity of the cabinet can vary. Please talk to a professional if you are uncertain of the load capacity.

Please do not use any chemicals to clean the steel. Use only warm soap water and dry with a soft cloth.

Please arrange the furniture carefully to prevent scratches on the wall.

Don't sit or hang on the Grid Wall Cabinet!
