DESCRIPTION

The Rynn Flush Mount Collection delivers bold illumination in a slim, modern form. With a sleek round silhouette and ultra-low profile, Rynn blends effortlessly into any contemporary or transitional space. A built-in switch allows you to select from five color temperatures—2700K to 5000K—so you can tailor the light to suit any room or mood. Designed with energy-efficient integrated LED, Rynn provides bright, even, glare-free lighting without the need for bulb replacements.

- 5 Color Temperature Options – Easily adjust the built-in switch to choose between 2700K, 3000K, 3500K, 4000K, or 5000K for the perfect ambience.
- Integrated LED, No Bulbs Required – Long-lasting LED technology delivers energy-efficient lighting with zero bulb replacements.
- Modern Minimalist Design – Sleek round profile fits seamlessly into modern, transitional, or minimal interiors.
- Low-Profile Flush Mount – Ideal for spaces with low ceilings, providing maximum light output with minimal visual bulk.
- Even, Glare-Free Illumination – Diffused edge-to-edge lighting ensures balanced, comfortable brightness.
