

DESCRIPTION

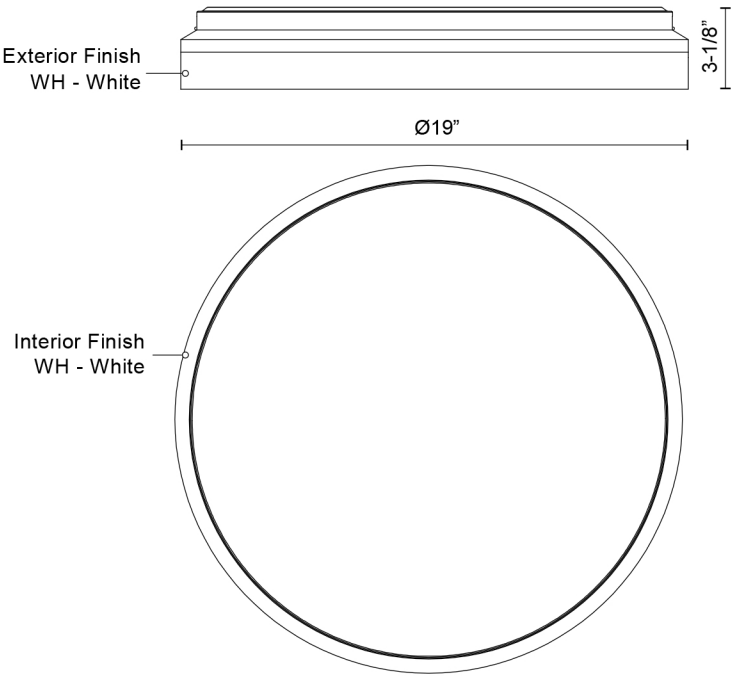

The Beanie Flush Mount Collection offers timeless simplicity paired with reliable, functional lighting. Designed with a clean, modern profile, Beanie blends effortlessly into any space while delivering bright, practical illumination. Ideal for bedrooms, closets, living rooms, and more, this versatile flush mount provides dependable task lighting in a sleek form that will never go out of style. Simple yet refined, Beanie’s understated design complements a wide range of interiors, from modern to transitional, making it an easy, go to lighting solution for both residential and light commercial spaces.

- 5 Color Temperature Options – Built-in color temperature selection allows you to choose between 2700K, 3000K, 3500K, 4000K, or 5000K to suit any room or task.
- Timeless Modern Design – Clean lines and a minimalist profile ensure a look that remains stylish year after year.
- Versatile Task Lighting – Perfect for bedrooms, closets, hallways, living rooms, and other everyday spaces requiring reliable illumination.
- Low Profile Flush Mount – Sits close to the ceiling, making it ideal for rooms with limited ceiling height.
- Even Light Distribution – Designed to provide consistent, functional lighting without harsh glare.
- Easy Everyday Functionality – A practical lighting solution that blends seamlessly into any décor while delivering dependable performance.
