DESCRIPTION

The Vire Bath Collection combines sleek modern design with customizable lighting. Its tube profile and round backplate create a minimalist look that suits a variety of bathroom styles. The ribbed opal diffuser adds visual texture while providing soft, even illumination. With a built-in 5-color temperature switch (2700K–5000K), Vire allows you to adjust the light to suit your space and mood. Integrated LED ensure energy efficiency and long-lasting performance, making Vire as practical as it is stylish.

- 5 Color Temperature Options – Easily adjust between 2700K, 3000K, 3500K, 4000K, or 5000K with the built-in CCT switch.
- Integrated LED, No Bulbs Required – Long-lasting, energy-efficient LED technology for maintenance-free use.
- Sleek Tube Profile with Round Backplate – Simple, modern design fits a variety of bathroom aesthetics.
- Ribbed Opal Diffuser – Textured diffuser adds a touch of visual excitement while providing balanced, even light.
- Versatile Mounting Options – Can be installed horizontally or vertically to suit your space.
