

NJP WALL

Project name:

Project type:

Notes:

Design

nendo

Product description

The NJP series was designed by Oki Sato, founder of nendo design studio. The NJP Wall lamp's flexible head and arms provide exceptional adjustability, which is often lacking in standard wall lights. This makes the light highly suitable for the bedroom, where adjustable beds are becoming increasingly common. Available in 4 colors and 2 sizes. May be programmed to automatically shut off after 4 or 8 hours.

Variant options

Color	Mounting	Light source	Lumen	Voltage frequency
<div><div><input checked="" type="radio"/> Black</div><div><input type="radio"/> Light aluminium grey</div><div><input type="radio"/> White</div></div>	<div>Long arm</div> <div>Short arm</div>	<div>LED 2700K</div> <div>LED 3000K</div>	<div>529</div> <div>550</div>	<div>120V</div>

Light description

The fixture provides direct glare-free horizontal light while reflecting some of the light through the rear of the head, illuminating the top of the arm. The ergonomic design of the fixture head shapes the light and gives optimal light direction. A simple mechanical system provides great freedom of movement, so the light can always be set in the ideal position in the workspace. The shade is painted white on the inside, reflecting comfortable diffused light.

Mounting

Mounts to the wall and powered by a plug-in transformer for 120V operation. Push button switch on luminaire head steps through high - low - off operation.

Information

Electrical:

System Wattage: 10W

LED Wattage: 9W

Delivered lumens: 550

Efficacy: 55 lm/W

Certifications:

cULus, Dry Location

Protection class IP20

Controllability: Step dimming

Color Rendering: Ra≥90

Voltage

120V

Light distribution diagrams

For the full data set on all variants, see louispoulsen.com.

Material

Luminaire constructed in aluminum for durability and heat management. Springs and mounting hardware are steel.

Weight

Min: 1.715 lbs Max: 3.375 lbs

Finish

Black, Light aluminium grey, White

Cartesian

NIP Wall

Variant options

Color	Mounting	Light source	Lumen	Voltage frequency	Variant number
 White	Long arm	LED 3000K	550	120V	10000135263
 White	Long arm	LED 2700K	529	120V	10000135261
 Black	Long arm	LED 3000K	550	120V	10000135262
