

# PH 3/3 PALE ROSE PENDANT

The fixture is based on Poul Henningsen's renowned three-shade system and reflects the light downwards, while also emitting a soft glow around itself. The pale rose coloured mouth-blown opal glass shades are glossy on top and sandblasted matt opal white underneath, which results in a gentle and poetic light.

## Poul Henningsen

The very influential Danish designer, architect, writer, and cultural critic, Poul Henningsen (1894-1967), has had a huge impact on Danish thinking and design. His legacy is an integrated part of Louis Poulsen's endeavor to shape light.

# Product info

### Information

Please note that the brass is untreated. This means that the surface will change over time and develop a patina if left unpolished. The frosted glass diffuser at the bottom ensures a soft, pleasant light distribution.
