

PH 3/3 PALE ROSE PENDANT

Designed by Poul Henningsen

Description

The fixture is based on Poul Henningsen's renowned three-shade system and reflects the light downwards, while also emitting a soft glow around itself. The pale rose coloured mouth-blown opal glass shades are glossy on top and sandblasted matt opal white underneath, which results in a gentle and poetic light.

Mounting

Cord type: 3-conductor, 18 AWG white fabric power cord.

Cord length: 12'.

Canopy: Specially designed brass canopy. For mounting instructions, see download section on the product detail page.

Information

Please note that the brass is untreated. This means that the surface will change over time and develop a patina if left unpolished. The frosted glass diffuser at the bottom ensures a soft, pleasant light distribution. For the E-socket product variants, bulbs are not included. LED light source is part of the product.
