

AUGGIE

MEDIUM ADJUSTABLE MULTI TIER CHANDELIER

83573BK

Thick and thin, big and small, curved and straight – Auggie is the definition of how opposites attract. The stacked linear arms feature an etched opal globe on one side and a weighted Lacquered Brass sphere on the other. With an articulating design, you can customize the look to fit your style, even if that changes day to day. Over a dining table, in a foyer, or in the living room, good vibes revolve around Auggie.
