## ACHILLE COLLECTION

Designed by Jean Marie Massaud

Top comfort thanks to the padding, combined with a considerable visual impact. Attention to details, formal elegance, light and essential lines: all of these features combine naturally and harmoniously in Achille Armchair, designed by Jean Marie Massaud, that is perfect for business and residential spaces. Subtraction, synthesis and lightweight: these armchairs also express at best the French designer's stylistic research, focusing on a full and enveloping comfort idea.

Achille Chair and Armchair feature either a fabric or leather completely removable covering, offered in different variants and shades.
