Cadey

WSW246619

PRODUCT DESCRIPTION

Artisanal Downlight Drama. The Cadey Outdoor Wall Light presents a cultured approach to exterior illumination, blending artisanal aesthetics with modern performance. These organic outdoor sconces feature genuine Basalt panels, each meticulously chosen for its unique, enchanting texture, creating a statement that is both bold and naturally refined. 3000K LED downlight is paired with an open bottom design, casting a focused glow that highlights architectural details and ensures a charismatic welcome. CADEY luminaires are designed to integrate seamlessly into sophisticated exteriors, offering enduring beauty and exceptional light.

FEATURES

- ACLED driverless technology
- Natural stone features inclusions and variations in color and texture in each crafted piece
- Open bottom for easy maintenance
- Patent Pending
