PRODUCT DESCRIPTION

Celestial Design. Earth-Born Materials. The Saturno Pendant brings cosmic inspiration down to earth. Named for the planet whose rings inspire its silhouette, this elegant fixture fuses the timeless beauty of basalt and travertine with the soft luminosity of opal glass. Its refined circular form floats with quiet confidence, diffusing a warm, even glow that elevates the mood of any space. And, this fixture is compatible with WAC Home system for Tunable White and Dim-to-Warm lighting (1800K - 4000K), offering a personalized lighting experience for any space. Perfect in dining rooms, foyers or as a sculptural focal point in modern living areas, Saturno balances minimalist geometry with natural materiality. Each piece celebrates the tension between organic texture and engineered precision — a statement of artful restraint and contemporary luxury. This is lighting that transcends illumination — a planetary orbit reimagined for the modern home.

FEATURES

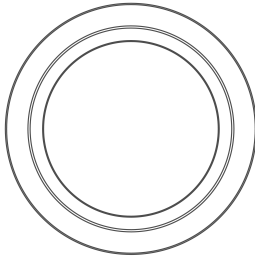

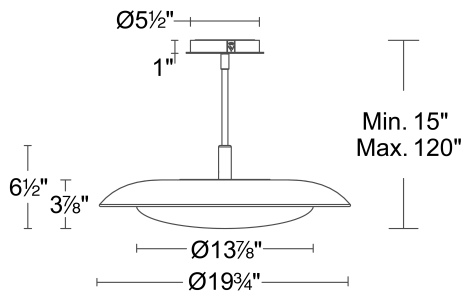

- Driver concealed within the canopy
- Natural stone features inclusions and variations in color and texture in each crafted piece
- Mouth blown opal glass shade
- Three 12" and one 6" down rods included (additional sold separately)
- Slope ceiling adaptable. Hang straight swivel.
- *Compatible with WAC Home system to create a personalized lighting experience. Components required for tunable white and dim-to-warm capabilities
