PRODUCT DESCRIPTION

Organic Form. Modern Flow. Inspired by fluid motion and natural forms, the Seahorse Pendant is a sculptural statement piece designed to captivate. Its graceful, curved silhouette — crafted with luminous silica — appears to cascade from the ceiling, diffusing light in a soft, ambient glow that elevates contemporary interiors. This striking design brings sculptural elegance to entryways, staircases, dining rooms, or living spaces, while 4CCT selectable light technology offers complete control over mood and atmosphere. Equal parts organic and architectural, Seahorse transforms illumination into art — a bold expression of movement, light, and form.

FEATURES

- Driver concealed within the canopy
- Silicon diffuser
- Thin, powered aircraft cables provide an ultraclean look for adjustable suspension height
- Built in color temperature adjustability. Switch from 2700K/3000K/3500K/4000K
