PRODUCT DESCRIPTION

Sculpted Illumination. The Kastlerock Collection delivers a bold and enchanting statement to any exterior. These striking outdoor sconces feature a sophisticated blend of natural deep Basalt material — each impeccably framed to create a cultured architectural element. Uncompromising in their functionality, Kastlerock luminaires provide both upward and downward 4CCT LED light, casting a dynamic glow that accentuates façade textures and creates dramatic visual interest. Kastlerock is a testament to modern design, where educated engineering meets captivating form for truly elevated outdoor environments.
