PRODUCT DESCRIPTION

Intuitive Illumination. Sorin redefines task lighting with a bold fusion of natural elegance and intuitive functionality. These enchanting task lights feature a refined housing crafted from either Basalt or Travertine, imparting a cultured, organic touch to any modern interior. Uncompromising in its design, Sorin offers a fully adjustable head, allowing for precise left and right light direction, powered by 3000K LEDs for impeccable clarity. Beyond illumination, each luminaire integrates a charismatic touch switch for seamless control and a convenient USB & USBC port, transforming it into an essential, educated hub for any bedside or workspace. Sorin stands as a testament to thoughtful, multifaceted design.

FEATURES

- Driver concealed within the canopy
- Natural stone features inclusions and variations in color and texture in each crafted piece
- Articulating light source, up to 60 degrees horizontally
- Built-in USB & USB-C port at the base of the canopy
- Convenient On/Off toggle switch
