#### MUUTO INTRODUCES NEW COLORS AND SIZES OF EXISTING PRODUCTS FOR FALL 2019

Along with the new products launched for Fall 2019 by Muuto, a number of reiterations of existing designs will also be introduced to the collection of new perspectives on Scandinavian design. Within the Muuto furniture range, the Halves Side Table by MSDS Studio has been introduced in Sage Green and Sand.

Within the lighting collection, the Leaf Table & Floor Lamp by Swedish designers Broberg & Ridderstråle will be introduced in Dark Green and Copper Brown. The Pull Lamp by Whatswhat will be introduced in a Grey color for a monochrome sentiment. Jens Fager's Grain Pendant Lamp will be introduced in Blue-Grey and Dark Green.

Looking towards the accessories range, the Muuto icon of the Dots Wood have been reinterpreted in the colors of Off-White, Dark Green and Taupe alongside its family member—the Dots Metal—in the new colors of Rose, Dark Green and Taupe.

The Folded Shelves by Dutch designer Johan van Hengel are introduced in two new colors—Blue-Grey and Burnt Orange—as well as a new, vertical size that expands the use of the design. Introduced in the colors of Blue-Grey and Dark Green is the Platform Tray by Sam Hecht & Kim Colin. In the Storage Accessories category, Mika Tolvanen's iconic Restore Basket is presented in Burnt Orange, Blue-Grey and Dark Green.

Within Muuto's textile offerings, the Varjo Rug by Danish designer Tina Ratzer is being introduced in the colors of Dark Green and Taupe. Adding to this are three new sizes of the Ply Rug: 270x360cm, 400x400cm and 80x200cm, allowing for the design to be implemented into even more environments.
