

PRODUCT DESCRIPTION

Smaller square profiles extend vertically with ample lighting cast both upward and downwards. The scale of the product is designed to meet ADA requirements, while providing generous light for outdoor applications. Concealed within the frame, there is a range voltage 120-277V LED driver making this a great option for light commercial as well as residential applications. Available in Matte Black, Architectural Bronze and White outdoor powder coat finishes.

*height from center of outlet to the top of the fixture
