

SOLITAIRE OMBRA PENDANT

ITEM NO.	PEN-SOL	DESIGNER	JEREMY PYLES	DATE	2022	SERIES	OMBRA
----------	---------	----------	--------------	------	------	--------	-------

Our Solitaire Ombra creates an unforgettable visual moment. A complex technique of applying color by hand over pristine glass is used to create a seemingly effortless transition from color to Crystal glass. As the glass is delicately illuminated by a warm, round bulb at the center of its spherical silhouette, it accentuates this transition. It's like watching the sun slowly rise through the morning fog or experiencing a radical sky as a storm begins to build.

Each moment is just as unique as each hand-crafted pendant, no two will ever have the exact same fade. The Solitaire Ombra is paired with a Premium Luxe Cord Set, available in three metal finishes. This pendant is stunning on its own or in a cluster, making for a truly elegant and memorable fixture.
