Helena Chair

SKU: AF-29

This stunning design is the essence of simplicity. The seat is handcrafted of wood, and a hand-woven synthetic seagrass back adds a touch of coastal-inspired interest. The rest is minimally finished metal, which adds a welcome note of sophistication.

Metal items are intended to have a rustic appearance that may include welding marks, spotting and variances in tone and luster. Weld and construction marks are part of the handmade nature of our products and are not considered defects or as claim-worthy.
