Chandler Tall Cabinet, Black Iron

SKU: GBCS258MTB

Our Chandler Cabinet is an etegere style vertical storage tower, handcrafted from iron with a low luster, black finish. Ribbed glass on three sides adds a handsome linear detail that slightly obscures the contents. Three interior fixed shelves provide ample storage. Finished metal exterior back, square brass knobs.

Metal items are intended to have a rustic appearance that may include welding marks, spotting and variances in tone and luster. Weld and construction marks are part of the handmade nature of our products and are not considered defects or as claim-worthy.

Item will be discontinued when current inventory sells out.
