Letty Bookcase

SKU: GBCS252MTB

Iron is coaxed by our master metal craftsmen into curvaceous and geometric shapes stacked into a totem inspired bookcase that is as much a sculptural statement as it is practical shelving. A linear and graphic standout for any style space.

Metal items are intended to have a rustic appearance that may include welding marks, spotting and variances in tone and luster. Weld and construction marks are part of the handmade nature of our products and are not considered defects or as claim-worthy.

Item will be discontinued when current inventory sells out.
