Pieta Console, Black Iron

SKU: GCON392MTB

Our Pietra console in iron pairs two opposing trapezoids cantilevered in a sculptural balancing act with a plank top. A bold, sculptural star or a subtle, supporting player.

Metal items are intended to have a rustic appearance that may include welding marks, spotting and variances in tone and luster. Weld and construction marks are part of the handmade nature of our products and are not considered defects or as claim-worthy.

Item will be discontinued when current inventory sells out.
