Maharadscha Hutch, Pale

SKU: GHUT118P

This carved mahogany hutch, at nearly eight and a half feet tall, is sized to make a statement! A favorite of our lead designer who, to let the carvings shine, kept the rest of the design simple with metal pulls, a neutral finish, and simple metal base.

Metal items are intended to have a rustic appearance that may include welding marks, spotting and variances in tone and luster. Weld and construction marks are part of the handmade nature of our products and are not considered defects or as claim-worthy.
