Voltes Desk, Ebony Walnut with Black Iron

SKU: GDES185EB

The warmth of walnut is paired here with the coolness of iron. Complementary finishes pull the disparate materials together, with the desktop in “Ebony Walnut”, and the metal base in Matte Black. These artful design touches elevate the Voltes, with its curved edges and softly rounded legs, into something significantly more than the sum of its parts.

Metal items are intended to have a rustic appearance that may include welding marks, spotting and variances in tone and luster. Weld and construction marks are part of the handmade nature of our products and are not considered defects or as claim-worthy.
