# Rivoli Side Table

SKU: GTAB278-ML

Circular slabs of marble are held aloft by delicate bands of minimally finished metal in this simple side table that embraces the beauty of its materials. No two pieces of stone, and therefore no two tables, will be identical.

*Metal items are intended to have a rustic appearance that may include welding marks, spotting and variances in tone and luster. Weld and construction marks are part of the handmade nature of our products and are not considered defects or as claim-worthy.*

*As a natural material, shipped stones may vary in color, pattern, texture, or veining.*

**Item will be discontinued when current inventory sells out.**
